

MULTI-UNIT FRANCHISE COMPLIANCE – INFORMATION SHEET

Managing a multi-unit operation is complex and stressful. Interacting with landlords, lenders, attorneys, and CPAs is time-consuming. You need to focus on your customers and operations, not legal paperwork. But missing a lease extension or failing to comply with a contract can cost you a fortune.

HOW WE CAN HELP SOLUTION:

Are you a multi-unit operator who wants one simple system to manage all the paper work needed to run your operations? This App enables you to easily manage entity and investor documents, leases, store development records, and other critical documents needed for openings, taxes, insurance, and employment matters.

KEY BENEFITS

- Grow unit count without increasing overhead
- Accelerate store openings
- Monitor Development Agreement obligations effectively
- Shorten due diligence and closings for capital and acquisitions
- Never miss another option, renewal or termination date
- Cut professional service costs
